Nancy – the opening reception equates the Official Opening and after a walk to the ballpark, the reception at the ballpark. I notice that the press release allocates 30 min for this in Boston, including the reception.

Here is the annotated write-up for that same event in Boston:

Welcoming reception and official opening of the 22nd Regular Session of the CEC Council

Irasema Coronado, CEC Executive Director, will make introductory remarks as master of ceremony and will invite the local official (tbd) to deliver welcoming remarks. YOU, as the US Council member and host will be invited to officially open the 22nd Regular Session of the Council. YOU will then invite the Canadian and Mexican Council members, Leona Aglukkaq and Juan José Guerra, and finally the JPAC Chair, Gustavo Alanís, to make remarks.

There will be a musical presentation thereafter.

And here is the draft Run of Show for OK City, which is scheduled for more than 30 minutes:

Ex. 5 - Deliberative Process

Looking at the Run of Show, I don't see a Boston equivalent to the private booth part of the OK City run-of-show, where the three ministers separate from the larger reception.

Martin,

Please see boston 2015 press release below. What is the Faneuil hall event listed the equivalent of for this year's event in Oklahoma City?

Thanks ng
